

## Chelsea Hishon

Hello, I am Chelsea, pronouns they/them and I am your Mature Students Part-Time Officer for the 2024-25 academic year.

I am a mature student myself, who is also a parent, so I understand the challenging difficulties that mature students have with balancing university, work and home and how isolating university can be.

My responsibility is to advocate for and promote the perspectives and interests of mature students, as we can be overlooked. I would like to make mature student nights more inclusive for all mature students. If there is something you feel mature students need, please come to me with any suggestions that you have.

Please feel welcome to reach out to me with any enquiries or concerns, I am here to help and listen to you!
