Empower, Enrich and Celebrate our diversity

Representation and Visibility

- Show more Black students in university promotional materials, website content, and social media.
- Address lack of diversity in certain schools, societies and clubs.
- Facilitate networking opportunities, mentorship programs and leadership workshops tailored to our Black students.

Advocacy and Support

- Regular Engagement: Hold meetings, send out surveys, have an open line of communication so you can get your voice heard.
- Advocate for diverse perspectives in course materials, guest lectures, and academic panels.
- Resource Accessibility: Push for more financial aid opportunities, dedicated spaces for cultural activity and especially mental health support for our community.

Community Building

- Fostering connections with clubs, societies, and peer support groups to create inclusive spaces for Black students.
- Organise collaborative initiatives and events that celebrate Black culture, achievements, and diversity, promoting a sense of empowerment and support.
