Agenda

Author:	Beth Plant
Status:	Complete
In attendance:	7 members of the student community

001 Quoracy Check	Chair conducts a quoracy check. Meeting not quorate.
002- Questions for the Trustee Board	Student notes it's disappointing that quoracy has not been met. Student explains what the disability peer support group is and notes that they do not feel that the students' union listens to them. They highlight the lack of accessibility in the room provided today as it is not disability friendly and they do not feel they should have to sit at the back. Student notes the removal of the quiet space without consultation with the disability peer support group, and that this means that students have to use other spaces such as corridors for events like seizures. Student states that this has actively harmed the disabled students' community and asks that action be taken.

	<p>Chair notes that questions will be passed to the trustee board and that responses will be posted online in April to the AGM page on the website, and notes that further questions can be directed to union.info@uea.ac.uk</p>
