JB has a question r.e. the funding request why the money is one big block rather than several smaller ones?

AJ is unsure – recommends email to TL (Undergrad Education Officer) to get clarification before voting in the chat.

MD says there is currently a call out for student representation on the Transforming Education Awards nomination panels. Members are shared

the document on the screen, and asked if they would like to put their names down.

AD asks for anymore updates from Officers.

MH talking to SU staff regarding QHM – exhibition space, money etc. Looking at plans. Wants to do something for Trans Visibility Week. Will bring it back to committee for next meeting.
