Community, Culture, Welfare—Amjad's Always There!

Amjad for Communities and Culture Officer.

Real Change. Real Support. Real Impact.

Who Am I?

I'm Amjad, an Economics and Finance student at UEA, and I've been here for four years – long enough to truly understand the challenges students face. I've worked with students throughout my time at UEA as:

- ✔ President of the Palestine Society
- ✔ Vice President of Arab Society
- ✔ Student Representative
- ✔ Student Ambassador
- ✔ Finance Assistant at the Student Union, helping societies and clubs manage their finances

As a **Palestinian and international student**, I've experienced the struggles of student life firsthand—from **financial pressures to mental health challenges**. I know how tough it can be, and I want to use my experience to **make real change** for all students.

My Vision- Real Change for Students

♦ **Better Transport – More Bus Times for Bowthorpe**

Students living in Bowthorpe deserve **more reliable and frequent buses**. I will work to **increase bus services**, ensuring students can travel easily.

♦ **Affordable & Better Food on Campus**

Food should be **better, cheaper, and more diverse**. I will push for:

- ✔ **Lower food prices** for students
- ✔ **More cultural variety** in campus food options
- ✔ **More diverse** food options. (Vegan, Halal...)

♦ **More Funding for Placement Students**

Many placement students, especially in fields like **Pharmacy**, struggle with extra costs. I will:

- ✔ Fight for **increased financial support**
- ✔ Push for **travel and living cost subsidies**
- ✔ Ensure funding is **easier to access and more widely promoted**

♦ **Shark Tank UEA – Supporting Student Businesses**

Students have great business ideas but **lack funding and support**. I will launch **Shark Tank UEA**, where students can:

- ✓ Pitch their business ideas for **funding and mentorship**
- ✓ Gain **resources** to launch and grow their startups

♦ **More Cultural Club Nights & Events**

UEA is a diverse university, and **cultural representation matters!** I will:

- ✓ Organize **more cultural club nights**
- ✓ Support **societies in hosting bigger and better events**
- ✓ Create **a stronger, more inclusive student community**

♦ **Stronger Support for International Students**

As an international student, I know the struggles of moving to a new country. I will:

- ✓ Advocate for **better international student support**
- ✓ Ensure UEA is a **welcoming place for all backgrounds**
