

Candidate for the position of Non-Portfolio Officer (PT)

Sam Newman

New Ideas. Newman.

NEW IDEAS.

Practical Change. Real Results.

I am running for the position of NPO again to continue bringing practical change and continued support to our student community.

MY BACKGROUND

EXPERIENCE YOU CAN TRUST.

Having served previously, I understand how the Union works and I can start delivering results from day one.

Alongside my role as an officer, I have been president of the Enactus society for 2 years running, a role with a large focus on project management and delivering progress.

- ✓ Current NPO Officer
- ✓ Society President
- ✓ Committed to Transparency

01

OPEN UP UNUSED STUDY SPACE FOR EXAM PERIODS

Students frequently complain during exam seasons that the library is packed and there is a lack of study space on campus. I intend to work to open up unused study spaces for student booking during on peak times.

02

MAKE OFFICER CONTRIBUTIONS CLEARER

After the closure of Union Council we lost the officer question time with it, this is still present in the meeting minutes for executive committee meetings however this means that students no longer get the dedicated platform to ask their officers what they are doing. I intend to work with the voice team to reinstate a platform for students to question their officers and find out what they are up to on a monthly basis.

03

CONTINUE EXPANDING THE PANTRY

WHY RE-ELECT?

Prior experience

As a current officer, I can start working on these pledges from day one without having to learn the role again.

Open and approachable

I have experience in taking on requests and ideas from students in the past and I am always open for contact.

MAKE IT HAPPEN.
